Dear Mrs Moore

Having been informed that Miss Richens is leaving Priorslee Academy at the end of this term, we would like to take this opportunity to express our thanks and gratitude to the professionalism and patience she has extended, to developing the life skills of our granddaughter [REDACTED]. Her ability to engage and work with the children is a credit both to herself and the school.

In addition, we very much appreciate her personal guidance in shaping the development of [REDACTED]'s positive behaviour and enquiring mind. We know [REDACTED] will miss the presence of Miss Richens but feel sure that her new class teachers will have an equally positive impact on [REDACTED]'s education and personal development.

Yours sincerely
