

24th September 2021

Dear Parents/Carers,

Today is cake day, and I must say a huge thank you to everyone who was able to donate to our Macmillan Cancer Support Just Giving Page: <https://www.justgiving.com/fundraising/priorsleecakeday>. If you have ideas for any charities you feel school should support, please let me know! We would love to support charities that are close to our school community.

This week has been extremely busy:

- Mr Jackson worked with four different key stage groups during National Fitness Day, and the children had a fabulous time! It has even inspired so many children to demonstrate their fitness skills, including Year Fives suddenly showing how many push ups they can do!
- Our EYFS children had a ball during their forest school sessions and were even using real tools!
- I am extremely happy to say that a group of our fabulous Year Five and Six girls played in the Crossbar Cup this week and were complete superstars. The girls played each football match with determination and drive, Miss Biddulph was extremely proud of them! Although they didn't reach the final, it was a fabulous experience.
- I was able to announce our School Councillors and Head Girl and Head Boy to all children in our Star of the Week assemblies. Next week, I will be announcing our Year Six Prefects, and I must say the statements from the children have been very moving!
- We also had our photo shoot for our new school prospectus, paperwork and more. The children were simply fabulous and we can't wait to show you the final images.

Next week our end of day times will change as previously advised, and I must say a huge thank you to everyone who voted for the change and also highlighted the issue. Please continue to contact us if you are struggling with the timetable changes in anyway.

Thank you to everyone who has sent me a photograph of their child to go on our 'Proud Wall' (Jodie.Cooper@taw.org.uk) in the entrance hall, it has been wonderful to see so many images of our children's achievements outside of school and with this in mind I would appreciate your completing this [Google Form](#) if you feel your child has a talent e.g. something related to sporting activities, drama, music, art or if they are particularly passionate about a subject e.g. geography, science, history. We use these nominations to inform our gifted and talented register and to inform teaching and planning.

I hope you all have a wonderful weekend!

Many thanks,

Mrs Cooper

Head of School
